Your DS3505 - Surface Data Hourly Global request has completed.....

The following files are available:

<http://www.ncdc.noaa.gov/orders/isd/3647947773688dat.txt> - DS3505 - Surface Data Hourly Global - Data File (1368713 bytes)

<http://www.ncdc.noaa.gov/orders/isd/3647947773688dat.html> - DS3505 - Surface Data Hourly Global - Web File (1703 bytes)

<http://www.ncdc.noaa.gov/orders/isd/3647947773688stn.txt> - DS3505 - Surface Data Hourly Global - Stations included in your search (bytes)

<http://www.ncdc.noaa.gov/orders/isd/3647947773688inv.txt> - DS3505 - Surface Data Hourly Global - Data inventory for your search (bytes)

<http://www.ncdc.noaa.gov/cdohtml//3505doc.txt> - DS3505 - Surface Data Hourly Global - format documentation (bytes)

NOTE! These files will be available for 7 days, after which they will be deleted from NCEI's FTP server.

If your data file has a .gz extension, the file has been compressed using UNIX compress. For information on how to uncompress the file, please access the CDO Receipt and Usage of Data page at <http://www.ncdc.noaa.gov/cdohtml//syshelp.html>.

For further information on data usage, see the CDO Receipt and Usage of Data page at <http://www.ncdc.noaa.gov/cdohtml//syshelp.html>.

Important! Please do not reply to this email message. If you have questions or need assistance with your request please send email to NNDC.Webborder@noaa.gov
